Additional comments that you would like to share:

- Water fountains along paths
- benches
- shade
- clean under culverts for walking / biking
- More walking paths
- Have the City enforce weed abatement
- More trash cans
- Repair or replace old signs
- sign code enforcement
- As the hired company by the City (Chamber Board) please do the best you can to communicate to them that it's a good time to come together and leave the lawyers out of this.
- Better marked trail signs for bikes and walking trails
- Directional signs to businesses further East
- Trash cans
- Bus Benches

Please use this map and the blank space below to take notes on areas you like or dislike.
